

THE ART OF BALING

“KUHN, the best investment for my future!”

SB 1290 iD Large Square Baler

The KUHN SB 1290 iD baler features the patented TWINPACT double plunger system. This double plunger increases the force applied per area to the surface of the bale, thus producing denser bales but with a machine load comparable to a conventional baler with the traditional single plunger design.

3+33 MONTHLY PAYMENTS | **0.99%***
